

COLCOT PRIMARY SCHOOL – SPECIAL LEAVE POLICY

SPECIAL LEAVE – SCHOOL BASED STAFF

1. PURPOSE

This policy outlines the circumstances under which consideration will be given to applications for leave of absences for reasons other than illness, injury or disability. It is intended to ensure equal treatment and consistency to all staff in its application.

The provision included in the policy indicates the conditions which apply to requests for special leave.

2. SCOPE

This policy applies to all employees directly employed by the Governing Body of the School including the Head Teacher. It also covers Pupil Support Service staff employed centrally but based in schools.

The provisions have been split into two separate areas which are school based staff working term time/inset days (ie no flexibility with annual leave) and other support staff who work 52 weeks per year who have an annual leave entitlement e.g. Caretakers/ Admin staff in certain schools.

Other staff such as school cleaners and catering staff that are employed externally to the school should follow the appropriate leave of absence scheme applicable to their service.

3. POLICY STATEMENT

It is the decision of the school and governing body to adopt this policy. Whilst recognising that leave under this policy may be necessary in exceptional circumstances, this policy recognises the importance of staff presence on a continuous basis in the interests of learning.

4. POLICY GUIDELINES

This policy outlines the provision for special leave requests and whether it is paid or unpaid.

Applications are subjected to the needs of the schools and the granting of special leave (paid or unpaid) is not a right and is discretionary. All reasonable requests will be given proper consideration in light of school needs.

Requests for special leave should be made in advance whenever possible to ensure arrangements can be made to cover the absence. All requests must be made using the 'Special leave of absence form'.

Dentist, doctors and whenever possible, hospital appointments must be made outside of school hours – appointments in school time should only apply in emergency situations. These guidelines also apply for dependant's appointment at which it is essential that a member of staff needs to be in attendance.

The allowances are based on staff working 5 days a week and should be pro rata for staff who work less than 5 days a week. The calculation for this is:

Number of days allowance divided by 5 multiplied by number of days worked, e.g. for someone working 2.5 days - $3 / 5 \times 2.5 = 1.5$ days.

Any extensions will be made at the discretion of the Head Teacher and Chair of Governing body dependent on circumstance in consultation with the Personnel Officer where the request is of a lengthy period or is unusual in nature.

It is recognised that this list is not exhaustive and once adopted the Head Teacher and Chair of Governors may increase allowances at their discretion in a fair manner based on the circumstances of each request.

5. CATEGORIES FOR SPECIAL LEAVE

Category A – Partners, children, parents of employee or legal guardian.

Category B – As above plus great/grandparents including partner's grandparents, partner's parents, employee siblings.

Category C – All others
